

## TEACHER DEVELOPMENT PROGRAMS

### TEACHERS OF ENGLISH AND ENGLISH IMMERSION PROGRAMS

*The Ottawa-Carleton District School Board and the Ottawa-Carleton Education Network offer numerous opportunities for teacher skill development through a variety of training programs. The department of International Projects and Exchanges operates a training centre that has successfully worked with teachers worldwide. **Online training** is also available.*

#### During the Summer

##### **The Training Program (3 week)**

Teachers of **elementary** and **secondary CLIL** (Content & Language Integrated Learning) and/or **TESOL** (Teaching English to Speakers of Other Languages) attend training sessions that are participatory and interactive. Workshops and presentations that are relevant to the field of content and language teaching and learning are led by specialists with emphasis placed on practical applications of best practices. The workshops in our centrally located training centre will focus on the following topics: Education in Ontario, Assessment Planning, Effective Instructional Strategies for TESOL/CLIL, Language Awareness and Development. Teachers will also communicate with course leaders about their experiences via reflective e-journals. An online learning platform will also be made available to participants for content organization and extended learning opportunities.

#### During the Academic Year

##### **The Placement Program**

This is a 4 week (possibly longer) program where three weeks are spent shadowing Canadian teachers in their classrooms. Teachers attend key workshop sessions similar to the regular training program (see above) at the start and throughout the program.

#### Online Training Options

Using our online virtual learning platform, summer or academic year programs are available to teachers or principals based on client needs and interests. Please contact us for more information.

#### Included in Programs (where applicable):

- Tuition (training, presentations, workshops)
- Health insurance, city bus pass
- Homestay program with meals, airport pick up and drop off
